- Another choice is to get your Medicare benefits by joining a Medicare health plan, such as **Providence Medicare Harbor + RX (HMO) or Providence Medicare Summit + RX (HMO-POS)**

WHO CAN JOIN

To join **Providence Medicare Harbor + RX (HMO)** or **Providence Medicare Summit + RX (HMO-POS)** you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area.

Our service area includes the following counties in Washington: Snohomish and King.

Providence Medicare Harbor + RX (HMO) and **Providence Medicare Summit + RX (HMO-POS)** cover both Medicare part B prescription drugs and Medicare Part D prescription drugs.

WHICH DOCTORS, HOSPITALS AND PHARMACIES CAN I USE?

Providence Medicare Harbor + RX (HMO) and **Providence Medicare Summit + RX (HMO-POS)** have a network of doctors, hospitals, pharmacies, and other providers. For some services you can use providers that are not in our network.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies.

WHAT DO WE COVER?

Like all Medicare health plans, we cover everything that Original Medicare covers and more.

- **Our plan members get all of the benefits covered by Original Medicare.**
- **Our plan members also get more than what is covered by Original Medicare.** Some of the extra benefits are outlined in this booklet.

We cover Part D drugs on our RX plans. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, www.providencehealthassurance.com
- Or, call us and we will send you a copy of the formulary.

HOW WILL I DETERMINE MY DRUG COSTS?

Our plan groups each medication into one of five “tiers”. You will need to use your formulary to locate what tier your drug is on to determine how much each will cost you. The amount you pay depends on the drug’s tier and what stage of the benefit you have reached. Later in this document we discuss the benefits stages that occur after you meet your deductible as applicable: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

If you have any questions about this plan’s benefits or costs, please contact Providence Health Assurance for details.

You can see our plan’s Provider and Pharmacy Directory at our website: www.providencehealthassurance.com/providerdirectory or, call us and we will send you a copy of the Provider and Pharmacy Directory.

Not everyone will enter the coverage gap.</p>
